Jim

On site at 0715.

0730-0755 Completed exterior patrol. While on patrol, noticed a gentleman laying in his car sleeping. He appears to be from New York according to the license tags. All else normal.

0800 Relieved S/O Oyeleru and assumed front desk duties. No issues reported. Verizon/Allegheny are on site and working on the roof.

0843 Allan Cors on site.

0846 David Keene on site.

0901 S/O Demeke on site. He picked up (1) radio and the museum keys.

0937 Major Land on site.

0947 The man from New York is now in the museum.

1034 The Russian Ambassador Sergey Kiflyak is on site. I escorted him to the South tower and stayed with him until Mr. Cors, Mr. Keene and Nick Perrine arrived.

1128 Honeywell alarm zone 200 sounded from the Peterson Gallery. S/O Demeke silenced alarm.

1140 Honeywell alarm sounded. Zone 181. S/O Demeke silenced alarm.

1200 Relieved S/O Demeke for lunch break.

1230-1330 On lunch break.

1345 Russian Ambassador Sergey Kiflyak is off site.

1429 Received kitchen keys from Tom McDermott.

1500-1525 Completed exterior patrol. All appears normal.

1600 Secured the café. Registered approximately 27 visitors today. Pass down to Joseph included Gabby Vonwallen memo; Allegheny/ Verizon still on site; visitor and package logs, clip board information and current state of the building.
